I am a parent of four students in the Davis School District and am deeply involved in the education of our children. I am a candidate for the board to provide a parent's voice in the district's decision-making process. I do not have any emotional ties to any position, program or building in the district and am prepared to innovate for the benefit of our children. I work in a technology field and understand the changing educational demands on our children and how technology can be used in the schools. I am a good communicator who is willing to solicit community involvement in the schools and respond to communications received. If you contact me, you will always get a response back. I will be a representative of all taxpayers and their investment in the educational system to ensure that every dollar is spent wisely. I believe that we need to focus our resources on the classroom to achieve the best possible return on our community's investment in the students. For these reasons, I am a candidate to serve as your representative on the Davis School District Board of Education.
